Preamble

The Abuja International Conference on Education provides an opportunity for academicians and professionals from various education related fields all over the world to come together and learn from each other. An additional goal of the conference is to provide a place for academicians and professionals with cross-disciplinary interests related to education to meet and interact with members inside and outside their own particular disciplines. We are inviting proposals for paper presentations, workshops/interactive sessions, posters/exhibits, or colloquia. Papers that are outside the sub-thematic areas will also be considered. In all cases, emphasis is placed on quality and scholarship.
